SERGEANT COOLEY and SERGEANT BROWNFIELD and some of CLASSIFICATION all WORK together doing this act and CLIC LAW LIBRARY TO HOWEVER COUNTY JAIL OF THE STATE OF CALIFORNIA and THE PRISON'S OF THE UNITED STATES suppose to be rehabilitate and not rehabilitate criminal like BUTTE COUNTY JAIL do and so on and so on and BUTTE COUNTY JAIL and THE SERGEANT BROWNFIELD here at BUTTE COUNTY JAIL with hold THE LEGAL MAIL TO that WARREN send to united STATES DISTRICT COURT NORTHERN DISTRICT OF CALIFORNIA and it WAS BUTTE COUNTY JAIL have THE 42 U.S.C. § 1983. A COMPLAINT and THE APPOINTMENT OF all MR. EDGAR LEE WARREN constitutional rights have been as Plaintiff MR. WARREN in this case Federal Law and State Law the First Sixth Amendments of united STATES constitution HOWEVER THE held that PRISON authorities may screen mail, BUT NOT suppression of expression is FURTHERED and 2) intrusions were no greater than necessary or essential. Additionally, the court held that due process requires that a decision to censor or withhold mail must be accompanied by rudimentary due process, including notice to the inmate affected, an opportunity for the author

OF the letter to Protest and a hearing by a PRISON OFFICIAL other than PERSON WHO decided to initiate the action. Several courts have indicated that a PRISONER'S visitation is Protected by The First Amendment.

Plaintiffs have presented an actionable claim TO the court. it is FOR the court to decide, at time OF trial, Whether the Restrictions Placed upon Visits in the Butte County Jail are so severe as to be violative OF Plaintiffs' Amendment Rights. C. USE OF THE TELEPHONE DEFENDANTS' argument ON this point is incomprehensible and must be in error.

NUMEROUS COURTS have held that Pretrial detainees' FREEDOM OF expression encompasses reasonable access to telephones to call attorneys, witnesses and loved ones. D. ACCESS TO EXERCISE AND RECREATION many courts have held that the denial of adequate exercise and recreation to jail inmates is cruel and usual punishment in violation OF The Eighth Amendment OF the United States Constitution. the court held that Plaintiffs must be allowed one hour OF outdoor exercise a day, Five days a week; to do less was to be in violation OF their rights under the Eighth Amendment. Due process and equal protection OF the Law have been held over

to mandate that pretrial detainees attain some minimum measure of outdoor exercise each week. Court orders have ranged from requiring one hour of outdoor exercise daily to  $8\frac{1}{2}$  hours of outdoor exercise per week, with preponderance of authority requiring at least one hour a day five days a week. The United States Supreme Court upheld the use of a "published only" rule regarding pre-trial detainees' access to reading material, but under limited circumstances not present herein. First, the application to hardback publications. Second the court noted the significance of a relatively large library within the institution thereby implying a different conclusion might be in prisons or jails without adequate reading libraries. And third, the court apparently applied a least restrictive alternative test to the rule. Plaintiffs have alleged both a violation of state law and a violation of constitutional dimension in asserting their belongings, including legal papers and attorney-client mail, have been confiscated from them without justification. G. BATHS AND

SHOWERS PLAINTIFFS have specifically alleged they are not allowed to bathe on a regular basis, are denied showers as a form of discipline, and are not allowed to bathe prior to court appearances. These issues are of constitutional dimension under the Fifth, Eighth and Fourteenth Amendments of the United States Constitution.

that visiting conditions be established which assure decency, comfort, privacy of conversation, conjugal rights, and visiting periods of adequate duration and frequency, and that prisoners' visitors not be required to wait intolerable lengths of time before visits occur. that no limitations be placed on persons an inmate may see, communicate with and receive communications from; that inmates be assured of reliable access to telephones to make outgoing calls and to receive incoming calls, and that such phones not be wiretapped or monitored in any manner. that a reasonable set of rules regarding intra-jail behavior and inmates rights be promulgated in English and Spanish and provided for each prisoner upon entry to the jail and evidence upon, and hearing before an impartial tribunal; Plaintiff would argue that the complaint on file herein, while lengthy, is a clear over

Page 7-

and precise articulation of Plaintiffs case and meets the objective of Rule 8(a) of the Federal Rules of Procedure in providing the Defendants with precise notice of Plaintiffs' legally cognizable grievances.

it is made clear throughout the complaint that the grievances specified occurred at the time of the filing of the complaint; all

statements are made in the present tense.

it is also specified that the grievances were occurring at the Butte County Jail, Central Facility. Rule 9(f) of the Federal Rules of Civil Procedure is not violated by such a pleading

format. The length of Plaintiffs' complaint is the result, not of any attempt on their part to obfuscate the issues, but of the number of parties necessarily named and the enormity and complexity of the issues raised by their conditions of confinement.

in every case cited by the defendants in their motion, complaints were dismissed, not because of their length, but because they were verbose, redundant, confused, and replete with irrelevant material. cited by the defense, the court was contemplating pleadings totaling that 4000 pages and requiring

a TRUCK to CONVEY.

Dear Sue,

I am sorry I took so long in writing to you back, but I was just trying to get off of these charges and I had to be busy up to the sentence so that I can stay with my my life. Well anyway I got sentenced to three years. I'm not so happy, I was sort of looking for them to give me the med term. But I'm not surprised because Butte County do what they want to do so, at the same time I was expecting the upper term, because I'm had its over. I will be okay. Because I got like 170 days credit I figure by the time I reach prison I'll have about 200 Credits or so. I'm thinking I'll do about no more then 13 or 14 mos. I'll be able to handle it.

Well enough of me, what is going on with you. By you told me you going to Dana State Hospital how long you got to be there? I hope not to long. Be sure to write me back to let me know I also want you to send me the address of the Dana State so that I can write you. So, hurry up and send address. I should be here at least 3 weeks before I can ship me to where I'll be sure I get

Over &gt;

P.S. Do you persure think you are going to be alright in that place? I'm a little worried, let me know

your address before I leave. I'm already  
 have it before I get to prison. If you give me  
 your address before you leave San Diego then I  
 can write you as soon as I reach prison.  
 As I can give you my cell # C D C #  
 & whatever else. Don't worry I will keep in  
 touch. I really don't like this country pol  
 shit at all so - that's why I don't like to write  
 letters up in here. Well, anyway we  
 take care of yourself and Always keep  
 ya head up High & because  
 yersure we are somebody &.

Remember your cuz loves you  
 very much so - no matter  
 what please be sure to keep in touch

P.S. oh yeah. Don't even worry about  
 me getting out - messing with that shit  
 because I'm Don. And - Don't worry  
 I Always read the Bible & pray  
 every day so - you will be in  
 my prayer okay &.

Love Always  
 Your Cousin  
 Big B

P.S. Hurry up Al Rash that address so I'll have  
 before I leave to prison
